

Dear Guidance Counselor:

Please find enclosed scholarship applications for students pursuing a degree in a medical profession at a college, university, or technical school. Please feel free to make copies and distribute them to students who are high school seniors, that meet the requirements, and who live in Archbold service areas which are: Thomas, Brooks, Grady, and Mitchell counties. Each scholarship has different requirements and policies. A student may apply for as many scholarships as he/she chooses. Make sure that all required information is included with the application before submitting it/them to the Auxiliary Committee.

The scholarships that are available for this 2026-2027 school term are as follows:
Archbold Memorial Hospital Auxiliary Scholarship (local)

All scholarships are paid directly to the institution of higher learning where the scholarship recipient has been accepted. There is no limit to number of students who can apply for the Archbold Memorial Hospital Auxiliary Scholarship, and the student may attend any institution of his/her choice. Please make the students aware of these requirements and encourage each student that applies to do his/her best in each area.

The deadline for submitting all applications is **02-20-26**.
No applications will be accepted after the deadline.

Applications can be completed by hand or submitted online along with the supporting documents by following this link: <https://www.archbold.org/about/auxiliary-volunteers/archbold-auxiliary-scholarships/>.
